A LEGACY - THE MOST EXPERIENCED ACADEMY IN AVIATION TRAINING

Pan Am International Flight Academy is the world’s largest and most experienced aviation education organization with facilities all over the world. Headquartered in Miami, FL, the academy was originally the training division of Pan American World Airways which remained operative and continues to grow, carrying forth the legacy of one of the most recognized brands in the world.

- A school’s reputation of flight regulations and safety policies are extremely important when students consider applying. Pan Am is the only aviation academy in the world to have the longest amount of training experience and an impeccable track record.
THE PAN AM CAREER PILOT ACADEMY OFFERS FAA Part 61 and Part 141 training programs specifically designed for individuals with a passion for aviation seeking a career as a professional pilot.

THE PAN AM CAREER PILOT ACADEMY provides students with the ultimate training experience, from zero hours of flight time through obtaining a Commercial Pilot Certificate, Instrument and Multi-Engine ratings, along with CFI courses.

Located in the heart of Florida, a combination of good weather and Pan Am’s extensive fleet allows for incremented flight hours resulting in a fast-tracked career path. Moreover, the Career Pilot Academy offers aspiring pilots enrolled in our programs an integrated pathway to become a professional pilot with our numerous airline partners.

START YOUR CAREER IN AVIATION TODAY. COME FLY WITH US!
PROFESSIONAL PILOT TECHNOLOGY DEGREE

Pan Am International Flight Academy & Miami Dade College (MDC) have partnered to establish the Pan Am Career Pilot Academy at the Miami Executive Airport. A professional flight training program created specifically for MDC students who will obtain a Professional Pilot Technology degree including an FAA certification for Private Pilot, Commercial Pilot, Instrument rating, Multi-Engine rating and Certified Flight Instructor (CFI).

PATHWAY AGREEMENTS

- With connections to the world’s best airlines and programs and through our pipeline agreements we produce top quality pilots and personnel that exceed commercial airline standards.

- With the demand for pilots at an all-time high, we have forged alliances with key commercial airlines and institutions in order to provide them with quality trained aviation professionals. Therefore, offering guaranteed career opportunities that help you land your dream job.
